Dear Mr. Albert:

I would like to request that the period of performance for the pre-placed contract for the NL Industries Site in Granite City, Illinois be extended one year from its original expiration date. Numerous delays, including the filing of a temporary restraining order by the City of Granite City and subsequent restrictions placed on the work, have necessitated this extension.

If you have any questions concerning this letter, please contact me at (312) 886-4742.

Sincerely,

Brad Bradley
